06 Scenarios v13-1 RG.docx

Phil,

I addressed all of the comments except the one about redundancy.

Subject: A couple of questions for Ch 6

Hi Ralph,
There are two questions in Chapter 6 regarding water that still need to be resolved. I think you are the person with the answers. But maybe Jim can help.
The questions are on pages 6-28 and 6-33 of the attached version of Chapter 6.

Thanks
Phil
